

Information about CCSC for School Direct Training

Chesterton Community Sports College is a convertor academy that sponsors Churchfields Primary School. The high school has approximately 612 students on roll and the primary school 289. Results have exceeded 70% for the last three consecutive years making us one of the most successful schools in the county.

Chesterton Community Sports College offers an exciting and innovative curriculum with opportunities to train in strong, well –led departments. Developing future teachers is of paramount importance so, we ensure, there are clear support systems in place so you are able to teach to the best of your ability with guidance and confidence.

The OAKs partnership enables us to work alongside other schools in conjunction with Keele University to give you the best opportunity to be successful in your chosen career. It all starts here!
