Rhiannon's Reading Recommendations

📖📖 Week one 📖📖

Rhiannon has started her own project of interviewing friends, family and teachers on their book recommendations.

Jess Colledge's Book Recommendation!

Jess has recently started reading 'The 1,000 year old boy' by Ross Welford. She is on page at 63 (chapter 9) at the moment and so far Jess thinks that it is very good. Jess would recommend to anyone who likes mystery books.

Ross Welford has also written many more books like 'What not to do if you turn invisible' and 'The dog who saved the World'.

Rhiannon Kearns' Book Recommendation!

Over the couple of weeks, I have been reading 'The boy in the striped pyjamas'. I am currently on page 43 and I am really enjoying it. I would recommend this book to anyone who enjoys history!

My grandad has recently recommended a book called 'The 39 steps' By John Buchan. I have bought it on Apple Books, so I can't wait to read this. It is a book about Crime and Thriller!

Mrs Melvin's Book Recommendations!

Mrs Melvin's favourite books as a child were Enid Blyton's Secret Seven. It was a series of books that followed the adventures of seven friends. Her Mum used to read them to Mrs Melvin and her sister at bed time. They managed to collect the entire series!

Mrs Melvin's favourite author now is Linwood Barclay and She would recommend his books to anyone who enjoys crime/thrillers. They are exciting and She almost never guesses the plot twist! He has also written some books aimed at teenagers and have enjoyed these just as much!

With regards to English, She would have to recommend Wuthering Heights. Year 8 get to have a look at this through the British Heritage unit and Mrs Melvin just loves the characters in the story.

Mr Mackin's Book Recommendations

Mr Mackin read animal farm (a Novella) by George Orwell when He was 13 years old.

He absolutely loved it!

He would recommend it because it's an allegorical story (has a hidden meaning) which relates to the Russian Revolution of 1917. Old Major is a mixture of Karl Marx and Vladimir Lenin, Napoleon is Stalin and Snowball is Leon Trotsky.

 What are the moves?????**

Q&A Rebecca Morris

District nurse

What was your first job ever?

My first full time job out of uni was working in a **call centre selling car insurance**. I was terrible at it and very worried that I'd never get a job in what I'd trained in. Luckily a friend of a friend worked at a **small video production** company and got me an interview.

What is your job title and role?

Wound Specialist District Nurse (clinic based)

Who do you work for and what do they do?

MPFT **NHS** Foundation trust - NHS

What sorts of jobs are there in your organisation?

A lot... nursing (all kinds), **physiotherapy**, radiotherapy, radiography, **doctors**, surgeons, **theatre practitioners**, **occupational therapists** etc

How long have you been doing this job?

I have been in my current job for **9 months**, I was previously a **community nurse** in Hertfordshire where I did my training.

Why did you want to do it?

I have a **passion** for community nursing and working with the elderly.

What does a typical day look like?

Very **busy**, quick paced and **organised** but sometimes **surprising**

What's the best part of your job?

Healing wounds, discharging patients and enabling **self-care**

What's the most challenging part of your job?

Sometimes the **patients**, sometimes liaison with other **professionals**, still learning so developing **new knowledge** consistently

How long did it take you to become a nurse?

3 years of **university**

What courses / qualifications did you do?

All of my GCSEs, I did 2 years of a **nursing diploma** then went back in 2016 to do my degree in **adult nursing BSc**

What courses / qualifications / options would you recommend to someone who wants to do that job?

Access to nursing at college, or **social care**, **health and social care**, experience in care physically, work in a care home or as a **support worker**, this will give knowledge and experience before going into the course at degree level.

Are there other similar or related careers that people can do?

Yes, specialised nursing, such as **mental health**, learning disability, school nursing, community nursing and **child nursing**.

What advice would you give to someone about their learning?

Find something you **enjoy** or are **intrigued** to enjoy, **the more you enjoy it the more you will want to learn about it**.

Maths Challenge
Chess
Black queen on H1 → H2 captures the white pawn and delivers CHECK!!
White king on H1 → H2 captures the black queen
Black rook on D5 → H5 delivers CHECKMATE!

Give it a go and there are **many routes** that can follow.

Find a way or style that makes you **happy to learn**, for example **videos**, **spider webs**, **drawing**, **doodling**, reading and notes. This really helps when you go to university and find a **hobby to always take your mind into a happy place** when you are stressed. Good coping mechanisms help!

Theme of the week

Faith & Belief

Through a variety of events held around the globe, followers of every religion are encouraged to **acknowledge the similarities** that different faiths have.

Something that the five major world **religions** (Christianity, Judaism, Buddhism, Hinduism and Islam)

have in common is a sense of **community**.

A sense of community provides group cohesion and identity, as well as a way for rituals and traditions to be passed down from generation to generation.
