

## **Chesterton Community Sports College - Year 7 Literacy and Numeracy Catch-up Premium 20**

The literacy and numeracy catch-up premium gives schools additional funding to support year 7 pupils in reading and or/maths at the end of key stage 2. Using various interventions, we support these pupils in their first year at secondary school.

### **We spent the money on specific intervention projects targetted at individuals specifically:**

Books/texts for use in literacy  
GL Testwise  
Maths Whizz  
My Maths  
TA time to administer packages

In 2019-20 the school was allocated **£11,000**.

As a result of this money internal data shows that the vast majority of pupils who accessed the interventions reported that they felt more confident in their lessons and that they had settled well into their first year at secondary school.

**19-20**

For 7 pupils who did not achieve the expected standard (a scaled score of 100)  
The focus was on giving these students the opportunity to 'catch up' to their

The interventions made accelerated progress.  
They went well into high school as a result.
