Brainteasers

What begins with T ends with
T and has T in it?

I have two coins which add up to 15
pence and one of the coins is not a 10
pence piece. What are the two coins?

Y10
Literature

In order to supplement your written revision for the forthcoming 'Macbeth' and 'An Inspector Calls' exams that will take place in the exam fortnight, you will now be able to access the most recent version of the films on an app already installed on your iPads called 'Stream'.

Remember that there are some slight differences between the original plays and the film versions, so always refer to the original plays in your exam responses.

Book Amnesty!

Please can everyone return outstanding library books to their form tutors. We are in the process of purchasing a digital library which will enable you all to download eBooks to your iPads. 😊

7JW, 9AR and 7ND all 14/18 !!

We are running weekly, virtual boosters for KS3, KS4 and Italian which are uploaded to our YouTube channel (CCSC MFL) YouTube each week; check them out!

APPLE CHALLENGE

October 2020

Apples are traditionally grown in the UK and are in season at the moment which means that all the apples grown in the UK will be ready to eat or use in recipes. Lots of families have apple trees in their gardens and sometimes the apples don't get used or people are unsure of what to make with them. This is something the apple challenge is aiming to change!

The challenge:

Make a sweet or savoury recipe that uses UK apples

What you need to do:

Find a recipe that uses apples
Make it
Photograph it (with your name on)
Send your photo @ccscfood
Earn event logs for Independent Learning

It really is that simple! And don't worry if you don't have an apple tree, you can buy some (make sure they are from the UK).

The challenge is open to anyone who would like to take part, any year group, students, staff and your family!

Congratulations to our Year 11 pupils who took part in the 'Career Ready Programme' at the end of their Year 10. All pupils were superb and will now represent CCSC as Careers Ambassadors for the next year group.

Hello my name is Joel Edgington and I am a former pupil of CCSC. I started CCSC in 2012 previously studying at Churchfields Primary School. A few things about me:

- Prefect and sports captain – representing the school locally
- After my GCSEs, started an apprenticeship delivering Primary PE at Chesterton Primary School from 2018 responsible for PE and Community Lead.
- My time at CCSC built my confidence, my teamwork skills and the ability to take the lead and progress forward.
- Volunteering at my local youth club running events and helping with the day to day duties - this has developed into a role that supports our local community.
- Joined the Chesterton Street Champions committee to support local families during the pandemic offering free food support to whoever may require it.

Mr Mackin Interesting fact. The inventor of the Pringles can is now buried in one!

Why does Mr. Cartlidge like the Facebook logo more than some other logos?

Because he is colour blind (red green deficient)- so is Mark Zuckerberg (that's why he chose a blue colour for Facebook).

What causes colour blindness?

Can it be treated?

Why is it more common in males?
