# Word of the Week from Dictionary Dee

## 'cogent'

adjective

(of an argument or case) clear, logical, and convincing.

Word of the week: 'Lockdown'

Spanish: el confinamiento

French: le confinement

Italian: il confinamento

German: Der Lockdown

### In Citizenship...

A successful politician needs to present a

**cogent** argument when debating laws in Parliament.

Mrs Capper's star pupils

Ebony Trowbridge 9/5Sp & Archie Brownsword 10/1y

"For consistently working hard in ALL of their lessons. BRAVO!"

### In PSICHE...

You might need to put forward a

**cogent** argument during a debate about a sensitive topic.

Y7, 8 and 9 have their assessments this week. Please make sure that you are completing the revision your teacher has set.

Well done to Y11s & Y10s who have done some excellent work towards their writing assessments and mock exams!

## Speed Maths Challenges

When Usain Bolt broke the 100m world record in a time of 9.58 seconds, what was his average speed in km/h?

Please continue to log on to our virtual boosters on YouTube! Your class teacher will send you the links!

## You Tube

Peter Connelly set the skateboard land speed record of 91.17mph, how long would it take him to complete 100m at this speed?

Don't forget to follow ccscmaths on Instagram and YouTube.

**Usain Bolt**  
 Speed = Distance ÷ Time  
 Remember to convert 100m to km and convert seconds into hours.  
 $91.17 \text{ mph} \div 1.6 = 145.87 \text{ km/h}$   
 $145.87 \text{ km/h} \div 3600 = 40.52 \text{ m/sec}$   
 Time = Distance ÷ Speed  
 $100 \div 40.52 = 2.47 \text{ seconds}$   
 Now that's fast!

**Peter Connelly**  
 Speed = Distance ÷ Time  
 Remember to convert speed to km/h so  
 $91.17 \text{ mph} \div 1.6 = 145.87 \text{ km/h}$   
 And convert km/h to m/s

# Famous and from Ches

## AARON RAMSDALE (1998- present)

Aaron Ramsdale is a professional footballer who is the goalkeeper for **Sheffield United**. Ramsdale has represented **England** at Under18, Under 19, Under 20 and Under 21 level. As a schoolboy he played for his school: **Thomas Boughey**.

He was born in **Chesterton** which like many industrial areas in the last century produced a number of **professional footballers**, who often played for their **local team**: -

- Arthur Dobson (1893-1918)
  - Arthur Turner (1909- 1994)
  - Frank Bowyer (1922- 1999)
  - Mike Pejic (1950-present)
  - Tony Loska (1950- present)
  - Ian Moores (1954-1998)
  - Mel Pejic (1959 - present)
- Aston Villa
  - Stoke, Birmingham and Southport
  - Stoke City
  - Stoke, Everton and Aston Villa
  - Shrewsbury, Port Vale, Chester and Halifax
  - Bolton, Leyton Orient, Stoke and "Spurs"
  - Hereford, Stoke and Wrexham.

In modern times players often don't play for their local team  
Why do you think that is?

NEW

CCSC want to reward those students that **ALWAYS** behave and be the **best** they can be!

For every WEEK you receive ZERO conduct logs you get 1 ticket for entry into a lucky dip prize draw.  
1 prize for each year group!

At the end of each half term ALL tickets are entered into a BIG lucky dip prize draw for a bigger prize, again 1 prize per year!

ATTENTION!

## MASKS!!!!

It is now part of new government rules which says that face coverings should be worn by staff and students in year 7 and above in communal spaces - outside of classrooms - and on school transport.

Year 9 GCSE Drama students performed their monologues this week.

Everyone did a fantastic job and the creativity, storytelling and performances were superb! Well done everyone.

## What did you get up to over half term?

Mrs Melvin learnt about Capybaras at Blackpool Zoo over half term. They are the largest rodents in the world with their closest relative being the Guinea Pig. It blew her mind!!!

Length:  
1.1 – 1.3 m (Adult)  
Mass:  
35 – 66 kg (Adult)

The first week of Drama Club was **fantastic** and lots of **fun**.

We played games including traffic lights and laser beams and created still images. **Unfortunately**, we need to have a **little** break during lockdown but we will be back for more fun and **laughter** as soon as it's over.....

# Remembrance

Sometimes I get asked the question, why do we remember things that happened oh so long ago? Especially in a year like 2020 when people are dying of Covid – 19 and everyone's lives are SO dramatically impacted. This is a very valid question. However, my reply is always the same; brave young men and women put themselves in harms way, often setting sail for France from the south coast of England, knowing that there was a good chance that they would never return home. This was a choice made by these people to ensure that future generations had the rights and freedoms that we have today. The thought for their own personal well-being was not top of their priority list but, the thoughts of the personal well-being of you, of me and our families and friends, people that they would never meet, came before that of their own. The harsh conditions endured by these people, the constant shelling and explosions, the mud and the gas, the cold and the sweltering heat, the long summer days and the cold winter nights spent in a hole in the ground fighting to protect the freedoms that we often take for granted today. This is why, even in the time of Covid, I will wear my poppy with pride and respect and when the school bell chimes at 11 AM on Wednesday, I will stop whatever I am doing for 2 minutes to pay back the respect that these people who I have never met gave me.

Recap week for GCSE **Religious Studies** involved designing, creating and playing board games based on our **Christian beliefs topics**. We had lots of fun with these whilst recapping **Crucial Knowledge**.

# Recap Week

This week all years have recapped the crucial knowledge in all their subjects. It is remarkable what you all remember over time, especially after half term. Don't forget to keep recapping the crucial knowledge in each of your subjects.

<https://www.ccsc.staffs.sch.uk/index.php/information/curriculum-and-qualifications>

**Ask your teachers where to find the crucial knowledge on teams.**

Completing the recap for this week saw Mrs Melvin's Y9 class present their findings on different Reality TV shows as part of the **non-fiction unit**.

Presentations were detailed and **confidently** presented and Mrs Melvin thoroughly enjoyed listening to all of their insightful information.

Well done **9/1x** Mrs Melvin is over the moon with you all you **smashed it!!!**
