Maths (Pure and Mechanical)
Physics, Computer Studies and
Genral Studies

Staffordshire University – Beng (hons)
Electrical and Electronic
Engineering

MMU – Cert Ed

When I was younger, I wanted to be ...

I wanted to be in the army, until I found out that I might get shot at, particularly as I wasn't the quickest.

I would love to work outdoors on a farm or small holding with a large outdoor play area with free entry for kids.
