Jobs

Lots of work experience in the world of IT.

Always aspired to someday be my Dad's boss, but it never came to fruition. It was not interesting.

Part time work in a pub. Dominated all areas, the kitchen, the bar and the restaurant. Nothing quite matched the highs of washing pots in the same kitchen as a couple of my brothers.

For a small time, I was MC of children's parties in a Wacky Warehouse. This must be where my love of working with children came from.

Starting teaching at Woodchurch High School near Birkenhead.

When I was younger, I wanted to be ...

Still haven't decided on a career path. Will continue inspiring future generations until my YouTube channel takes off.

Would like to semi-retire and mow grass for a living, but it doesn't currently pay enough to sustain my lifestyle.
