

# Miss H Brownsill

## Schooling

Jackfields infant school

Moorpark Junior school

Haywood Engineering college

Stoke Sixth Form college – Biology, Chemistry, Geography and music A levels

## Further Education and Qualifications

University of Birmingham – BSc Biochemistry. A really interesting degree, although I chose a lot of microbiology in my final year.

Keele University – PGCE with The OAKS.

## Jobs

Debenhams – Christmas job during college.

Co-op food – another job during college, quite fun as I knew a few people who came in regularly.

Student ambassador – University of Birmingham, one of the easiest jobs ever!

NCS leader – great job over the summer even though it was tiring, residentials, raft building, hiking, charity fundraising etc!

## When I was younger, I wanted to be ...

A vet – I absolutely loved animals (and I still do) but I'd hate to have to put animals down.

Professional musician – then I realised I wanted to keep it a separate fun hobby.

## Interests and hobbies

Music – I've been playing the violin for 15 years now!

Science of course!

Travelling and festivals, I try and do this as much as I can.

Meeting up with friends, locally and from far away.
