## Archie Davies 7LEH

What a fantastic start to CCSC, always working hard and being the best he can be in all areas in and out of school. A wonderful, polite young man who is an asset to our year group. Well done Archie!

## Poppy Blackshaw 8AO

Poppy has such a lovely attitude to all parts of school life. She tries her very best in every lesson, every single day. Her attendance is one of the highest in the year and staff are constantly impressed by her exceptional work and sunny personality. Well done for your wonderful year, Poppy!

## Harry Lea 8AO

Harry is the perfect example of someone who comes to school every day, puts 100% effort in to every task and is polite and respectful to other pupils and staff. Harry lives up to the school motto of "Be the Best You Can Be" when he represents the school in sporting events and in his daily school life. Well done, Harry!

## Holly-Ann Rutter 9KW

Holly always makes me proud but this year she has exceeded my expectations beyond belief. It has been such a joy to watch her grow into a bright, caring and confident young lady who is a credit to the year group and the school as a whole. I feel so privileged to be her head of year and be a small part of the amazing journey she has ahead of her.

## Liam Bagguley 9HM

Liam has such a mature and dedicated approach to school life. He consistently tries his best in all subjects and is willing to use his own time as well as lessons to further his progress and development. I am so proud of how far Liam has come and I can't wait to see him continue to soar in Y10.

## Alicia Brearley 10P

Quietly goes about her business in school. Absolutely smashes everything that she attempts and never gives less than 100%! Really well done this year!

## Daniel Sadler 10KDR

Seen such a vast difference in Dan this year. He has really grown up, tries hard in lessons and has shown how capable he really is. So many members of staff have said so many nice things about Dan this year, it is genuinely lovely to see/ hear the progress he has made! Just got year 11 left to learn how to catch now! 🥳

## Message to Y7

Well done year 7 on a fantastic start to your time here at CCSC. Making the move to high school is always difficult, but you have adapted so well. It has been wonderful to see so many of you be recognised for your hard work and effort in school subjects, and in representing school teams. I look forward to seeing what year 8 brings! Mrs Baker

## Message to Y10

Year 10, you have impressed me all year. Since you joined this school FOUR years ago now you have been such an amazing year group and every day I am proud to be your head of year! Have a wonderful break, stay safe, (good luck for those of you who took GCSE exams this year) and I will see you in September when we shall start Year 11 proper. I know you're going to be an AMAZING Year 11 who will be talked about, for all the right reasons, for years after you have left!

## Message to Y8

Well done for another fantastic year! At the start of the school year, so many of you were nervous about leaving our tiny Y7 Zone and mixing with the rest of the school, but you've handled the transition so well and now you've had a fantastic first week as GCSE pupils. Enjoy your summer and come back in September ready for another great year!

## Message to Y9

Well done to all of my lovely year 9 (soon to be year 10s!) on what has been your best year yet. You've settled so well into yet another new way of doing things and I couldn't be prouder! I hope all of you have an amazing summer and come back ready to work harder than ever'

On Tuesday 5th July, Book Club attended the annual YTF Book Awards at RAF Cosford. It was an inspiring experience, where we got to hear talks from three of the finalists: Nicola Penfold, Joseph Elliot and local author Alex Foulkes. The pupils partook in a Q&A session and had the opportunity to meet (and talk to!) the authors themselves.

After voting on the title they believed should win the 'Staffordshire Young Teen Fiction' Award, pupils had the chance to explore the museum and watch the YTF Quizmasters.

At the end of the day, the winning title was announced: 'All Our Hidden Gifts' by Caroline O'Donoghue.

All of the pupils had an excellent day and represented the school wonderfully

'Huge congratulations to the following pupils who have represented Newcastle Under-Lyme at the Staffordshire Athletics meet in Tamworth last week. George Brownsword (1500m), Emma Royce (Shotput), Archie Davies (Hurdles), Lucas Hill-Murray (200m), Luca Mullen (200m), Connor Barker (100m) and Harry Lea (800m). These pupils qualified for the event by placing in the top 3 for their event at the Newcastle staffs competition and were all outstanding on the day'.

# Peter Pan Show

What.A.Show!!!! 'Peter Pan' came to CCSC this week and how incredible it was! The cast, the band, the backstage crew and staff putting it together have been exceptional. We are so proud of the team. Every person who has had the pleasure of watching it has been blown away. An emotional night

# Peter Pan Show

Well done to our amazing Peter Pan cast and backstage team!  
Each and every one of you was phenomenal! You all worked incredibly hard and were the most supportive cast I have ever known! You put all your trust in one another and the end product was fantastic!  
I hope you are all proud of what you achieved – I am incredibly proud of each and every one of you!

Miss Owen ❤️

Your kind words mean a lot

I was lucky enough to attend the final rehearsal of Peter Pan today with children from our school and some colleagues and I wanted to send a huge WELL DONE personally.

We were all blown away with the talent and the confidence which shone from ALL who were part of it today- any one of them young people on stage could perform at the Regent Theatre and the work that had been put in across the board was obvious to all!

I know from conversations I had at lunchtime that it has inspired several of our pupils and they now can't wait to get involved with drama.

Truly amazing!

Please pass this message on to all involved.

Thank you.

**make  
kindness  
the norm.** ❤️

Just wanted to say huge congratulations to everyone involved in the show last night. What an amazing evening! The cast were superb... there are some future stars appearing on stage.

It was a privilege to watch such an amazing performance.

Every part was brilliant and it was clear to see the work and talent that has gone into making the show such a success.

You must be very proud of all the staff and students who have worked so hard to produce a fantastic show!

From acting to singing, choreography, scenery, costumes, makeup, music, sound and lighting...and backstage help...all amazing.

To everyone who played a part- What a great achievement.

We loved every minute

I just wanted to get in touch to say thank you so much for giving me the opportunity to watch Peter Pan. What an absolutely wonderful show it was. The children were such a talented bunch and the props were fantastic too. It was evident how much hard work had gone in to the show because it was flawless and a credit to the school and everyone involved. I will mention it at tomorrow's meeting.

# Reflection

18<sup>th</sup> Nelson Mandela Day  
(Week beginning 18<sup>th</sup> July 2022)

## Self Reflection

"We do not learn from experience we learn from reflecting on experience".

John Dewey.

John Dewey was an American philosopher, psychologist, and educational reformer whose ideas have been influential in education and social reform. He was one of the most prominent American scholars in the first half of the twentieth century.

The importance of self-reflection.

Without self-reflection we simply go through life without thinking, moving from one thing to the next without taking time to evaluate whether things are going well.

We don't pause to think. To analyse. To determine what is going well and what isn't working.

The unfortunate result is that we often get stuck and can keep repeating the same mistakes. So,

- Take a break
- Evaluate what you have accomplished
- Celebrate your victories
- Learn from your mistakes
- Check your future direction
- And most importantly make a change if it's needed.

Don't forget to check you emails and Teams daily to complete your homework quizzes!
