HOY AWARDS

Y7

Freya Sturge 7MO

Lots of staff recognising her effort and how polite and helpful she is. Keep it up!

Marcel Szatanek

7LEH

For his eagerness and determination to do well at everything and impress ALL the time.

Y8

8:3 History class

Mr Mackin has been praising you all week and is very impressed with how hard you've been working and how focussed you are. Keep it up!

8:2Y Science

Miss Edwards said that you've been amazing this week! You've worked in silence when asked and have even been trying to help each other out by answering other pupils' questions. Well done!

Y9

Jess Huckfield 9HB

For demonstrating enthusiasm in her lessons and really trying her best in all aspects of her studies. I am really impressed by the positive and mature attitude Jess has displayed recently.

Bobby Woodward 9HB

For improved effort and enthusiasm in lessons. Bobby is now making a conscious effort to get involved in his lessons and is doing well to avoid the temptation to chat. Keep it up!

Y10

Sam Copeland 10EF

For working hard in maths and achieving a fantastic score on his Year 10 exams.

Hannah Royse 10EW

For going above and beyond in maths, she always asks for help with extra resources that she has found to further her understanding.

Y11

Grace Parton 11P

Being a positive member of the prefect team.

Promoting the use of manners and greetings to staff.

Connor Wooton

11KE

Achieving target grade in GCSE PE. Good confidence boost for him heading into his mock exams.

PACK A SHOEBOX!
SEND GOOD NEWS & GREAT JOY AROUND THE WORLD

HOW TO PACK A SHOEBOX

Show children in need around the world you love them and God loves them: Pack shoebox gifts with Operation Christmas Child. Your shoeboxes equip thousands of churches overseas to reach out generously to children with the joy of a simple gift and the Christmas story of Jesus, the greatest gift of all. Engaging with parents and churches, children that receive shoeboxes are invited to take part in a Bible discovery course, The Greatest Journey. In 12 fun, interactive sessions, they can discover Jesus for themselves, how to follow Him and share their faith with others. Join in this amazing opportunity to resource churches to reach out with the hope of Jesus, often in areas they might not otherwise access, transforming families and communities!

- 1 SHOEBOX:** Get a standard-size shoebox to pack for a boy or girl. Need shoeboxes? Great preprinted shoeboxes are available on our website.
- 2 SPECIAL ITEM:** Select a quality toy such as a doll, football with pump, or cuddly toy to bless a child.
- 3 OTHER GIFTS:** Pack full with other fun toys, hygiene items, and school supplies.
- 4 PERSONALISE & PRAY:** Including a personal note and photo makes a big impact. Most importantly, pray for the child who will receive your gift.
- 5 INCLUDE £5 DONATION:** A donation of £5 is critical to cover shipping and other project costs. Give online through **Follow Your Box** and include a barcode in your shoebox to discover its destination.
- 6 DROP OFF:** Take your shoebox gift to a local Drop-off Location during National Collection Week, 15-22 November. Visit our website to find one near you.

DO NOT INCLUDE: Toothpaste, sweets, lotions and liquids, used or damaged items, war-related items, seeds, gum, chocolate or food items, religious or political literature, medicines, aerosol cans, sharp or fragile items.

For additional gift suggestions and more, visit samaritans-purse.org.uk/occ

FURTHER EDUCATION

What are my Options?

Apprenticeship

An apprenticeship is where you work, study and earn a wage. They are a popular option and as a result, very competitive. Entry requirements vary considerably but most companies will at least be looking at your Maths and English results. Apprenticeships are available in a wide range of subjects and in certain areas you can even study right up to degree level

Find out more about apprenticeships in our January issue.

Traineeship

A traineeship is an opportunity for you to learn on the job at a high-quality work placement. You'll also develop the wider skills that you will need in the workplace by completing work preparation training. It can be a stepping stone to an apprenticeship or employment which can last anywhere between 6 weeks to 1 year, but in most cases lasts for less than 6 months. It's a good option if you aren't quite ready for an apprenticeship and don't feel like a college course is right for you.

A Levels

A Levels are a popular choice and many people take this route if they want to progress to University. Usually you need to pass at least 5 GCSE subjects at grade 4 or above including English Language and Maths. Often you will need a higher GCSE grade in the subject that you wish to study at A Level. Most students choose 3 subjects to study over the 2 year course, but higher achieving students can choose four.

Please note: A Levels tend to be assessed mainly by exams so you need to be confident with revision and able to cope with exam pressure.

See page 6-7 for help with choosing your A level subjects.

GCSE Resits

If you're worried that you might just miss out on the grades you need then you might want to consider resits as an option. This one year course enables you to select several GCSE subjects to retake. Check with the college to find out how many subjects you can choose and which subjects are available. Usually this route is for students who are very close to passing, for example if you get a grade 3 but you need a grade 4.

BTEC / Vocational Courses

Vocational courses come in a wide range of levels, suitable for people of all abilities, so regardless of your GCSE grades you should be able to find a course for you. Taking this route can also lead to University level study. For more about levels check out the infographic on page 12. Vocational courses relate to specific areas of work, rather than academic subjects. In many vocational courses, you will build a portfolio of evidence and be given regular assignments (coursework) rather than exams. You may have some exams but usually this makes up a smaller proportion of your final grade.

Study Programmes

You may not have heard of study programmes before, but they are certainly a great option to consider. With study programmes you will gain a recognised qualification (for example, a BTEC or vocational course) alongside a substantial work placement. Typically you will also gain additional soft skills alongside your main qualifications such as communication. You may be eligible to receive a bursary, which is basically money to help you while you're studying.

T Levels

T levels are a new type of qualification aimed at specific career paths. They are good if you've got a rough idea of the kind of work you want to go into. The introduction of T levels began in September 2020 and will continue until September 2023. They last two years in length and are equivalent to 3 A-levels. T levels include a technical qualification (TQ), a work placement for at least 45 days plus maths and English if you didn't gain this at school.

Independent Learning Sessions

How should I use my time?

Learn/test your Crucial Knowledge

- Pick a subject, then use the Crucial Knowledge resources to test yourself and learn anything you don't know
- You can find all the resources here: <https://www.ccsc.staffs.sch.uk/index.php/2013-09-25-09-25-35/all-files/crucial-knowledge>

Complete all your Crucial Knowledge quizzes

- Work through all set Assignments in Teams
- Work through Educake, Kahoot, etc. quizzes set by your teachers

Make a 'to-do list'

- In OneNote (top of the page)
- Using 'Notes' on your iPad
- Or just on paper!

Work through extra subject resources

- Go to your Teams classes
- Work through the extra resources that your teacher has put in your class Teams
- These resources will help to **extend your subject knowledge**

Organise/tidy your notes

- Organise and tidy up work in your OneNote notebooks
- Group pages together so your notes are in order
- Turn pages into subgroups so that topics are together

Read a book

- Improving your reading skills will help you in all subjects
- Find lots of books on the **Sora** app

Independent online revision

- All subjects: <http://www.bbc.co.uk/bitesize>
- All subjects: <https://quizlet.com/en-gb>
- All subjects: www.educake.co.uk
- All subjects: Kahoot! (For **Science**, search keccscb1, keccsc1, etc.)
- All subjects: <https://senecalarning.com/en-GB/>
- MFL: <https://www.language-gym.com>
- Maths (KS4): <https://www.onmaths.com>
- Maths (KS3): <https://www.whizz.com>

Complete classwork & coursework

- Complete any work in your OneNote notebooks, exercise books, folders, OneDrive, etc.

Make corrections and improvements

- Look at teacher comments in your exercise books or Class Notebooks
- See how you can improve previous work and have another go at it
- Look at any quizzes that your teachers have returned. Make notes on anything you got wrong and learn

Complete exam questions/papers

- Check the exam board with each of your subjects, then search for past exam papers and mark schemes

Thursday 10th November
Room 3, 3.15 till 4.15 p.m.

This week, we will make bird feeders - a great way to encourage more wildlife to your garden and improve biodiversity!

Please bring an empty, clean plastic bottle if you can (1 litre is ideal)

Feel bring other items to decorate your feeder as well, but we will provide what you need.

This weekend, the Humanities Department took some of our History and Geography pupils from Year 11 for an overnight stay at Aberystwyth University. They had a walk around the town on arrival, followed by a night in the halls of residence, then they spent the Saturday in lectures on both subjects. The pupils got a true taste of student life with tours around campus and time in the student union. The pupils were fantastic and did CCSC proud with their mature and respectful attitudes at all times.

Remembrance Day is a memorial day observed in Commonwealth member states since the end of the First World War to honour armed forces members who have died in the line of duty. Following a tradition inaugurated by King George V in 1919, the day is also marked by war remembrances in many non-Commonwealth countries.

Date: Thursday, 11 November 2021

The Chesterton War Memorial lists the names of 137 men who died in the First World War (1914-18) and 34 men who died in the Second World War (1939-45). If your family's ancestors came from Chesterton you might find your surname on the memorial?

World Diabetes Day

Diabetes is a condition where the blood glucose levels remain too high or too low. It can be treated by injecting insulin.

Type 1 diabetes

Type 1 diabetes is a disorder in which the pancreas fails to produce enough insulin. It can be controlled by injecting insulin.

People with type 1 diabetes have to monitor their blood sugar levels throughout the day.

Type 2 diabetes

In type 2 diabetes the person's body cells no longer respond to insulin produced by the pancreas. It is more common in older people. It can be controlled by diet and an exercise. Carbohydrate is digested into glucose, which raises the overall blood glucose level. There is a correlation between rising levels of obesity in the general population and increasing levels of type 2 diabetes.
