Daphne

Daphne was a 14-year-old girl with gorgeous, long, blonde, hair, and a passion for music. She loved to sing, and she had many friends she was quite a lovable person to be around. Her life was a dream, she had kind parents, she always got the perfect grades, and she was an amazing person. But one day, Daphne was walking home ... but this time she had to go through the woods way as the roads had been blocked off due to a crash. The woods way was a farther walk and was very creepy, so no one went down it. Daphne had no choice, her parents were both at work and she was an only child so no one could come pick her up.

Woods

As Daphne made her way into the woods, she began to hear strange noises such as: bushes rustling or loud coughing, she began to feel frightened. She continued walking cautiously as she clenched her backpack close to her. Just as she was walking, she heard a loud scream following with a bang and nasty footsteps, she immediately grabbed her phone and tried to ring her mum, no signal. She shoved her phone back in her bag and continued slowly tiptoeing through the woods as she felt a nasty presence around her.

She knew she had to get home as quick as she possibly could, she was there she could see the exit, she ran as fast as she could scared for her life right now, just then this masked figure came out of no where and grabbed her, he then hit her on the head with a large object knocking her to pass out.

Help

A little later, Daphne started to slowly wake up, not knowing where she was, she panicked she tried to move only to find a metallic chain on her leg and hands and her mouth covered with tape. Suddenly a bright light flashed on, she was frightened she tried looking for her phone but that was gone too. Just then she saw a figure, in the distance slowly creeping towards her, she did not know what was about to happen, so she shouted "who are you! What do you want "that made the figure angry he growled as if she had really annoyed him.

He soon got closer, and Daphne began to see more clearly, she saw that he has chestnut brown hair and a big cape on his back. Daphne was so scared that she thought of 1 million scenarios that could happen. Then she could see it the weapon he was carrying (like murder weapons) it was long and sharp and could kill you in one touch, a blade ....

She tried to scream but the tape just pulled on my skin, she could feel her arms scraping on the cold floor as she tried to wiggle free. Then suddenly it went silent Daphne felt a sigh of relief, then suddenly out of no where that masked guy raised at her and slashed her in the neck with the long sharp blade and

Before you knew it she was gone, that's the last anyone ever heard of Daphne rose. Rumour says she still seeks revenge ....

Every day is a new opportunity to succeed

The English department took 116 year 7 students to see the New Vic's production of The Little Mermaid. Set deep in a colourful coral reef, The story tells of a young mermaid with a heart full of dreams who spends her days hoping for a chance to explore the world above the deep blue sea. When she saves a human boy in trouble, she decides the time is right to leave behind the life she knows and sets out on a great adventure!

The children (and staff!) were blown away by the exceptional aerial acrobatics, lavish costumes and outstanding musical numbers. It was certainly a performance that we will remember for many years to come! Thank you to everyone who came and well done again on your impeccable behaviour and conduct around the theatre. You were a credit to the school.

We were delighted to welcome James from **The City of Stoke-on-Trent Sixth Form College** today for an A Level Spanish taster session

Students explored grammar, history and culture, gaining a real insight into what Spanish looks like at the next level. Languages are a core subject at our school, and experiences like this really help bring learning to life.

10D Child Development students completed their bottle feed practical today which counts towards their NEA. All were excellent and conducted the practical considering safety and hygiene throughout. Mrs Baker was really impressed!

The Science department took Year7 to Thinktank Science Museum in Birmingham. The staff and pupils had a brilliant day and behaviour was outstanding! Well done everyone - we hope you had a good time

For always being fun and always smiling

Miss Hargreaves

Her lessons are so funny! She makes me look forward to science. I used to hate science so much and now I absolutely love science! I really hope I get her next year!

Mr Morgan

He is the best form teacher he is such a nice man, since the start of year 7

Miss Davies

There is so many amazing things I could say. This woman is amazing, she guides you through tough times, she helps everyone and anyone and she is just the most amazing teacher/head of year ever. I genuinely couldn't ask for anything more off of her. We all love you!

From your lovely feedback last year parents and students have suggested a way to nominate a teacher to recognise them for an act of kindness, support or hard work.

If any student or parent would like to anomalously recognise a teacher then please use the link to fill out the form.

Linguist Of The Month

I enjoy studying languages because in the future I would like to have the ability to talk to people from different countries in their own language. It would be useful for travelling and helpful with communication skills in general. It will also be very useful when I get a job as I might be speaking to people from different places.
