Easter Trip Programme

FREE trips for 12-16 year olds this Easter!
Join us for an adventure and make new friends.
Transport and lunch included.

Wednesday 16 April

Standon Bowers Outdoor Education Centre

This unique day combines adventure, personal growth, and fun through two carousel activities. Groups will alternate between a 1.5-hour High Ropes Adventure and a Bushcraft session.

The activity concludes with toasting marshmallows around a campfire.

Children need to meet at Newcastle-under-Lyme College – mini bus will depart at 9am so please arrive early to sign in. The children will be transported to Standon Bowers Outdoor Education Centre. We recommend wearing comfortable clothing (trousers and T-Shirt/Jumper, no open toe shoes) for this activity.

Each child will receive a hot meal from Standon Bowers. We encourage to bring plenty of water.

Please note: this is a programme for children only. Parents and Carers are not permitted to attend. This trip is exclusively for children aged 12-16 years old.

Book now at eequ.org and search 'Bee Active' or scan the QR code

A huge well done to the year 9 rugby team for a fantastic performance at the Newcastle Schools Rugby Tournament on Friday. They played some brilliant rugby and had some great results, including a big win over the Orme and a tight loss against Clayton. Some great performances all around, but the player of the day was Jack Price for his fantastic running and countless tries. Well done Boys!

Y10 boys arrived to school early this week to improve their GCSE Swimming skills. They got themselves into the pool before school had even started!! This shows a good strong work ethic that we are extremely proud of. Well done to all those lads that showed up.

Year 10 students took part in an exciting trip to explore careers in sports arranged by [Higher Horizons+](#) and Miss Durrant. The day began with a behind-the-scenes tour of the Bet365 Stadium, where pupils learned about various roles within a football club. They then headed to the Stoke City Academy Dome to practise their football skills with academy coaches.

The visit continued at Staffordshire University, where students toured the campus and explored the sports science facilities. They participated in practical activities, gaining insight into how science enhances athletic performance. The trip was an inspiring experience, broadening their understanding of sports-related careers.

This is a little delayed as we have had to wait for the league to be finished but I am happy to announce that our

Y8 Boy's Football team have

won

the 11 a side league.

This goes with (some) of them winning the Y8 futsal competition that took place earlier in the year!

Mia Hughes in Year 7 has kindly asked to bring our attention to Purple day and support her and others where possible.

It is a charity that supports Epilepsy and "It would mean a lot if to her as it effects her massively"

<https://purpleday.org>

purple day

Wear it
PURPLE

Purple day is a day where people raise money and wear purple. This is to help or raise money for people with epilepsy.

Epilepsy — also known as a seizure disorder — is a brain condition that causes recurring seizures. There are many types of epilepsy. In some people, the cause can be identified. In others, the cause is not known.

There are many of ways to celebrate you might walk a mile a day to help raise money or were purple on the 26of march make a purple bracelet of some sort or make a post out to any one or just a post so people don't feel alone.

Welcome to the Year 8 Options Process Option Evening – 27th March 2025 6:00pm – 8:30pm

What subjects does my child have to do and what choices do they have?

Option Blocks will be sent out at a
later date

- You have to choose one subject to study from Block A, Block B, Block C and Block D
- From each block, you must also make a second and third choice as it may not be possible to give you your first choice due to numbers.
- Yellow subjects are vocational, green are GCSEs. You are not allowed to pick more than three yellow subjects (we would advise no more than two).

Welcome!

The following booklet will provide you with all the key information you need when you begin to consider option choices with your child. It is important to consider a number of factors when you are making your choices:

- Does my child enjoy this subject?
- Has my child already shown potential in this subject?
- Will my child be successful in this subject and be able to achieve the highest possible grade?
- Is the subject compulsory?

Options Evening is an opportunity for you to find out more about the courses on offer and to discuss the best route forward for your child. We want you to be happy with their choice as the option that they choose that build on, and complement, the compulsory subjects.

Please feel free to ask as many questions as you like. We are confident that you have the information to make an informed choice.

What subjects does my child have to do and what choices do they have?

How should you decide?

- What do you enjoy?
- What are you good at?
- How do you learn most effectively?
- What ideas do you have for your future?
- Talk to your teachers and gain advice on what is best for you
- Remember that you need to make a 1st, 2nd and 3rd choice in each option block!

What happens next?

- Week Beginning 10th February – Myself and Mrs Parton will meet with the year group and go through the next stages with them.
- Week Beginning 3rd March – Options Booklet go out to pupils and parents (with dates and information about the options evening). This will contain links to exam specifications, crucial knowledge and subject overviews.
- Week Beginning 17th March and then Week Beginning 24th March – Option Taster sessions for Year 8 (timetable will be sent to them beforehand). This will give you an idea of what to expect in each subject.
- 26th March – Option Blocks will be released to pupils and parents
- 27th March Options Evening and official forms given (6:00pm – 8:30pm). This event will give you chance to talk to staff and ask any questions. We are also hosting a careers event on this evening for Year 8 where they will have an opportunity to talk to colleges, employers and providers. Even though this is early, it is always good for them to think about what is available to them in their futures.
- 31st March - Deadline for choices.
- Week Beginning - 12th May - Final choices sent home (could be earlier if all forms are in on time).

Year 8 Options 2025

- 12th February – Mrs Waterhouse and Mrs Parton have an assembly with Year 8 explaining the process
- 3rd March - Options Booklet goes out to pupils and parents (via teams and email)
- Week beginning 17th March AND week beginning 24th March – Option Taster sessions for pupils
- 26th March – Official Option Block released to pupils and parents
- 27th March – Year 8 Options and Careers Evening (with appointments for Core Subjects)
- 27th March – Official forms for choices will be given
- 31st March – Deadline for choices
- Week beginning 12th May - Final choices will be sent home (earlier if forms all in on time)

TODAY'S BIG STORY

New monarch inspired by Shakespeare poetry

Is old language still relevant? Poetry is used to capture people's emotions. The new king quoted a classic playwright during his first speeches as monarch.

Flights of angels: Horatio's words capture both his love and despair.

Horatio holds his dying friend, Hamlet, in his arms. 'Good night, sweet prince. And flights of angels sing thee to thy rest', cries Horatio.

The final words of **William Shakespeare's** famous play, Hamlet, were quoted by King Charles III days after his mother's death. Powerful words are often used in sad or joyous times.

"I think lots of people for many centuries have turned to the beautiful **phrases** of poets, perhaps especially Shakespeare to speak of something that is sort of beyond everyday speech," says professor of Shakespeare Studies Emma Smith.

As Prince of Wales, the King was **president** of the **Royal Shakespeare Company**. At the age of 17, he played

the lead in a production of **Macbeth**. He once famously argued with his father over whether Shakespeare really did write all of his plays.

Today, few people speak like Shakespeare. Some think his works are **irrelevant**. But others say beautiful words can give meaning to the world around us.

KEY WORDS

William Shakespeare: A famous English playwright
Joyous: Happy
Phrases: Small group of words
President: Leader or governor

Royal Shakespeare Company: A British theatre company
Macbeth: A tragedy play by Shakespeare
Irrelevant: Not important
Centuries: Hundreds of years

YOU DECIDE

Is old language still relevant?

- YES.** Great works never age. They are still as meaningful today as they were back then
- NO.** Times have changed and so should language. We cannot connect with words used **centuries** ago.

English Stars of the Week!

<p>Miss Mooney: Lucas Hackney – He always puts in 100% effort, and his knowledge with English is impressive.</p>	<p>Miss White: Logan Blaze, for always trying his best, always being polite and contributing to the lesson</p>
<p>Mrs Allen: <u>Edith Meeson</u> – Edith is an exceptional member of the class who is always enthusiastic, energetic and raring to go. She is so committed to her English lessons that she even came back into school after being sent home ill so she didn't miss out! Well done, Edith. You make CCSC a better place to be.</p>	<p>Miss Wedgwood: Tommy Wright - he volunteers to read aloud every lesson and has really impressed me with his ability and confidence. This week he completed a brilliant PEE paragraph on the character Martin, from the play script Face. Fabulous effort Tommy, well done! 😊</p>
<p>Mrs Parton: Leon English- Absolutely fabulous effort this week!!</p>	<p>Miss Egan: Zach Hughes for his fab effort on his Macbeth essay this week, he has been fantastic xx</p>
<p>Miss Durant: Lydia Ainscough - for her fab interpretations of poetry and gorgeous contributions to lesson!</p>	<p>Mrs Melvin: Skye Powers for her impressive work ethic and determination to succeed. Some lovely creative writing completed this week!</p>

Waste. Used as a noun the word can mean.

1. An act or instance of using or expending something carelessly, extravagantly or to no purpose.
2. Unwanted or unusable material, substances or by-products.

While there are many different physical waste types, in the UK waste is broadly categorised as either Hazardous or Non-hazardous Waste. A number of the Non-Hazardous waste types are routinely recycled and reused or may be incinerated or digested for energy recovery, usually in the form of electricity generation.

For our household waste methods of collection and disposal vary locally but for most of us the routes are:
 Grey bin- general household waste-incineration
 Brown bin- garden waste- composting to produce compost.
 Blue bin- paper/cardboard/ glass/metal/plastic- all for recycling.
 Waste Food- digestion with the gases used to generate electricity

UK Waste Legislation is based on a Waste Hierarchy of preferred (best for the environment) waste treatment and disposal options:

Prevent/Reduce/Reuse/Recycle/Recover and Dispose.

Generally, these controls work well in the UK and avoid some of the extremes of poor disposal elsewhere in the world. However, waste producers and some waste treatment companies may look for the cheapest option available and high disposal costs can attract criminal waste operators who will fly-tip on an industrial scale or dispose of waste illegally for financial gain.

So, people can choose and/or poor decisions waste time, money and other resources such as effort, energy and their own potential. They can also produce physical items of waste in a variety of forms.
