Jobs

I started working when I was 11 years old helping my mum out in her restaurant that she used to own. Since then I have gone on to do two different waitressing jobs. Ive always been a hard worker and will continue on that path since I love being independent and being able to provide for myself and those around me.

When I was younger, I wanted to be ...

When I was younger I wanted to be an accountant just like my auntie and uncle. I was good at maths from a young age and always looked up to them because of how successful they are.
